

JUSTIFICATION CONNECTED TO SANCTIFICATION

JUSTIFICATION Foundation — Ro.3—5

SANCTIFICATION Superstructure — Ro.6—8

Righteousness Received — STANDING

Righteousness Revealed — LIVING

Justification is restoration to life

Sanctification is restoration to health

Past: Romans 3-5 - Death with guilt of sin

Present: Romans 6-8 - Deals with power of sin in our lives

At the time of Justification believers are set free once and for all from the ruling power of sin

In sanctification we must do battle with our dethroned sin nature through the power of God's Spirit within (Ro.8:13)

Justification is God declaring sinners righteous

Sanctification is God producing righteousness in believers

Substitution: He died for me

Identification: I died with Him

He paid sin's penalty

He broke sin's power

Justification: Righteousness imputed (put to my account)

Sanctification: Righteousness imparted (made a part of my life)

Cross: Saved by His death (Ro.6:8,10)

Resurrection: Saved by His life (Ro.6:8,10)

Justification is not something you experience. It is a declaration of God.

Transformation is something you experience. Is there evidence of transformation?
