

# **PAUL REBUKES PETER — GALATIANS 2:11-14**

- **Early believers came together for a love feast before they celebrated the Lord's Supper.**
- **Gentiles who were saved were accustomed to eating meat offered unto idols and they ate pork.**
- **Jewish believers would never consider eating food offered to idols.**
- **What was going to be done to keep from offending the Jewish Christians?**
- **In Antioch two tables were established. One was the kosher table; the other was the Gentile table.**
- **Peter, because of pressure from the legalists from Jerusalem, chose the kosher table, not the Gentile table.**
- **Paul rebukes Peter. Remember Christian leaders are under a stricter eye.**
- **Paul argues, “If it was right for Simon Peter to live as the Gentile believers lived, why should he desire the Gentiles to live as the Jews?”**
